The Best of the Ace Medical Supply LLC:

We hope this is the start of a great business relationship with your company. Patients of many home healthcare companies and visiting physician's offices appreciate our quality of products and services. We take great pride to serve patients with quality services and products, and committed to make your patients happy and satisfied.

Fast delivery services - Majority of DME is delivered by the next day.

- Physician's signatures are obtained by us.
- Our own staff deliver ALL items to your patients' home, not by FedEx or UPS.
- DME Products are delivered;
 - Diabetic Shoes and inserts - *Delivers within one(1) week*
 - Diapers and Chux (Pull-ups and Briefs diapers)
 - Bath Safety Items - Shower chair, transfer bench, B/P monitor
 - Medicare items- Diabetic Shoes, Quad Cane, Orthopedic Braces

How to refer your patient:

- Fax our Intake Form or your Patient's Face Sheet

All delivered or Non-Delivered DME will be notified by fax or phone calls:

We make every efforts to communicate with your patients and DME-coordinators. You will be notified by delivery or non-delivery notice for any referral. We found timely communications are essential to make your patients satisfied. We look forward to serve your patients. Thank you.
